Your 4-Step Guide to Implement Effective Giving

Let's now talk about
implementing powerful,
meaningful giving in
your business.

The 4-Step Guide

01

Join and Become a
Business for Good

02

Choose Causes That
Resonate With You

03

Link Impacts With Your
Business Activities

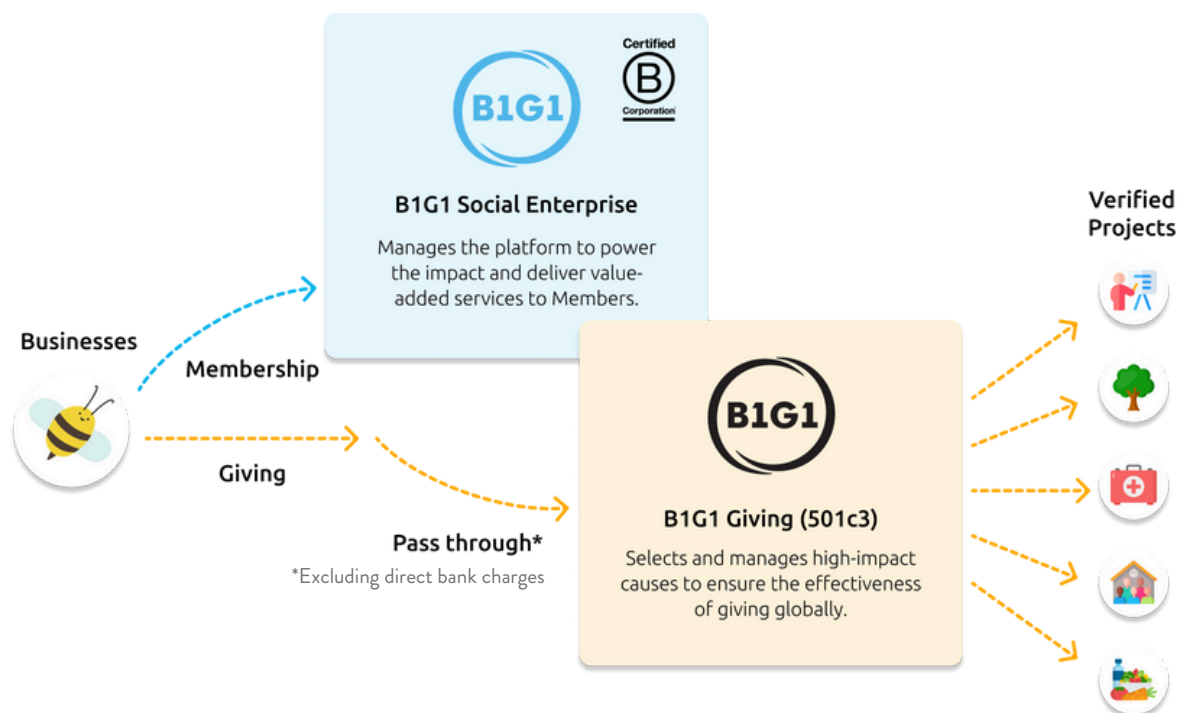

04

Inspire and Share
Your Giving

Step 1:

JOIN AND BECOME A BUSINESS FOR GOOD

Join more than 2500 businesses around the world on the mission to create a world full of giving. When you join and become a B1G1 Business, you'll get your very own B1G1 giving account to set up your giving initiatives to transform your business activities.

HOW B1G1 WORKS

YOUR MEMBERSHIP

To give through B1G1, join and become a registered B1G1 Business Member. The membership supports the B1G1 platform you trust, expands our reach and services to Worthy Causes, grows our network of Businesses for Good, and helps us serve you better in your giving journey even more.

YOUR CONTRIBUTION

By keeping your membership and contributions separate, we are able to effectively pass on your giving to the projects you choose to support. We also review those projects annually and ensure your support makes the maximum impact on the lives of people and communities around the world.

Step 2:

SELECT CAUSES THAT RESONATE WITH YOU

After creating a B1G1 account, you'll get access to the B1G1 project list, which contains over [450 vetted high-impact projects](#) supporting one or a few SDGs. You can give to as many causes as you wish, starting from just a few cents. Here are some examples of what a small amount can achieve for your favorite causes:

QUALITY EDUCATION

- Provide a Day of Education to Children Around the World
- Give English Classes to Improve Career Opportunities
- Sponsor a Brighter Future by sending a Student to University

LIFE ON LAND

- Plant Trees to Increase Forest Cover
- Provide Medicine for an Injured Dog
- Support Beach Clean Up by Collecting Coastal Trash

GOOD HEALTH AND WELL-BEING

- Provide Safe Drinking Water to a Family
- Give Milk to Supplement Child's Nutrition
- Provide Eye Care for a Person

Step 3:

LINK IMPACTS WITH YOUR BUSINESS ACTIVITIES

Once you've selected causes that resonate with you, you can now decide how you want to support them through your everyday business activities. B1G1 Giving Stories make it easy for you to do this. Setting up a Giving Story is a simple way to give to a project of your choice each time you carry out a specific business activity.

EXAMPLES FOR ACCOUNTING AND BOOKKEEPING BUSINESS

E-LEARNING EDUCATION

When we save a dollar of tax for our clients, we contribute to a day's worth of e-learning access to village children.

HOSPITAL'S ELECTRICITY

When we file a tax return, we sponsor a Kenyan hospital's electricity bill for a day.

BOOKKEEPING TRAINING

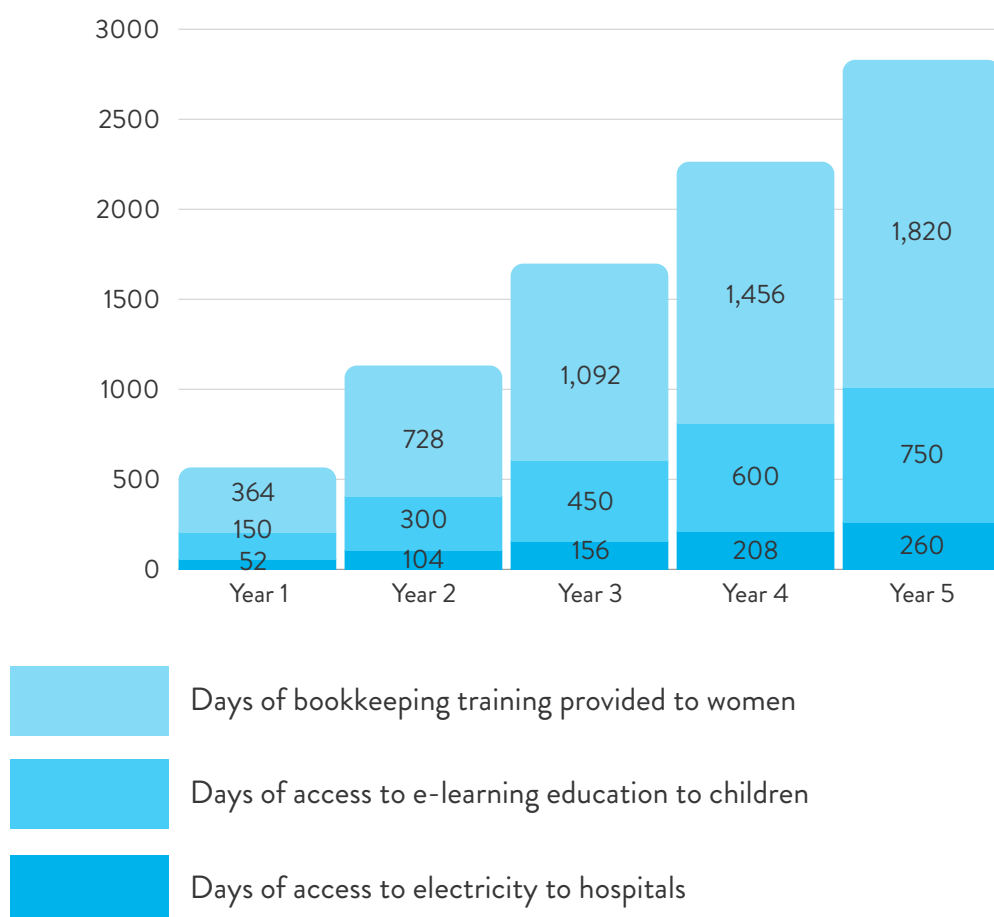

When we complete a bookkeeping service, we help provide bookkeeping skills training to women for a week.

YOUR IMPACT PROJECTION

As you create your Recurring Impacts, you may be wondering what tangible difference is being made by giving small amounts habitually. In order to help answer this, below is an estimated accumulated impact projection over 5 years, based on a giving budget of \$1,000 per year (that's just 1% of \$100,000 revenue for a small business).

As you can see, B1G1 allows you to make powerful impacts through micro-giving, all as you work on your business. Simply by embedding giving into your day-to-day business, your impact grows as your business grows!

That means by the end of the first year, you'd have provided 52 days of access to electricity to save lives, 150 days of access to e-learning to children and 364 days of access to bookkeeping training to women. Isn't it amazing that any business of any size has the power to make a difference?

Step 4:

COMMUNICATE YOUR IMPACTS

Aside from giving, you will also receive access to widgets and B1G1 branding resources. These will help you communicate your purpose, mission and giving goals. These customizable widgets are easily embeddable across any website, allowing you to inspire your clients and community with the difference you make together.

Here are some examples:

THANK YOU
JOHN SMITH & CO.

Did you know, by being here today, you've helped us provide a goat to a family in need so that they have a sustainable income for life? Together, we've made a huge difference to an entire Kenyan family, paving the way for a brighter future.

This impact was created in partnership with the global B1G1 initiative.

Step 4:

COMMUNICATE YOUR IMPACTS TO YOUR CLIENTS

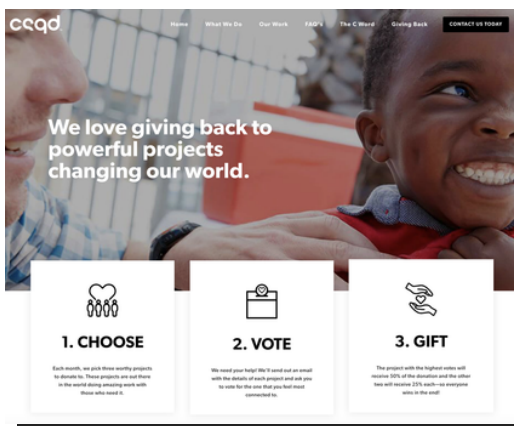

Your clients play a big part in your giving journey, so sharing with them the impact they've created is a great way to express your gratitude. Explore creative ways to engage with them through specific opportunities and make those moments matter. Here are some ideas:

SHOWING APPRECIATION WITH GRATITUDE CERTIFICATES

After you've completed a project, send a personalized note to thank your clients, letting them know the impacts they've helped create.

[Check out some examples here.](#)

INVOLVE YOUR CLIENTS IN CHOOSING PROJECTS

Polls are a fun way for your clients to choose projects they are passionate about. At the end of a meeting, ask them to pick one of 3 selected projects and then give on their behalf.

SET A GOAL TO ACHIEVE TOGETHER

Together, we achieve more. Bringing your clients in on an impact goal creates a deeper relationship and more meaningful connection to your business giving.

Step 4:

COMMUNICATE YOUR IMPACTS TO YOUR TEAM

Joy-full, passionate teams create great businesses. As you become a Business for Good, you create a culture and spirit of generosity. Giving produces a greater sense of purpose, and an opportunity to empower your team with a mission beyond just work. Here are some examples to kick things off:

ENGAGING YOUR TEAM TO CREATE GREAT IMPACTS

Understanding why and how your company partners with B1G1 gives your team a chance to own and love this initiative. [Here is a slide deck you can share.](#)

INVOLVE YOUR TEAM IN CHOOSING PROJECTS

Have each team member create their own Recurring Impacts based on what they do, or own a particular project supporting their chosen impact category.

SET A GOAL TO ACHIEVE TOGETHER

To go far, go together. No initiative succeeds without a collective team goal. Working towards a greater purpose bonds your team together!

EXAMPLES FROM OTHER BUSINESSES

Here are some examples of
businesses in your industry
and how they're giving back

RJS ACCOUNTING

ACCOUNTANTS THAT CHANGE LIVES

This Australia-based accounting consultancy is one of the longest-giving members in B1G1. A quick look on their website tells you they're as passionate about their work as they are about the impact they can create from it. Every time they work with a client, the team at RJS give to protect young girls, provide access to solar lamps for children to study, or plant trees.
